

## Signing up for MyChart is easy. We now offer two ways to sign up for a MyChart account.

**In person** – visit any Reliant Medical Group site at your convenience. You will be asked to sign a consent form, allowing us to post your information to your MyChart account. An e-mail address and the last four digits of your social security number or tax ID number are required to activate an account. You will then be assigned an access code that will enable you to login and create your unique user ID and password.

**Online** – patients over the age of 18 can now sign up for a MyChart account online. Visit [reliantmedicalgroup.org/mychart](http://reliantmedicalgroup.org/mychart) to request an access code. We will verify your information and e-mail you an access code so you can create your MyChart account.

Click the link and you will be asked to make a **Username** and **Password** that you can remember. We verify your identity using the last 4 digits of your Social Security Number. You will also need to confirm your email address and click to agree to the Term and Conditions. Then click **“Submit”**

Click on this link to activate your MyChart account. <https://semycrt poc01/MyChartPOC/accesscheck.asp?InstAct=RIPASSt6fhWEUbx20FbZpAXX%5E1%5E%5E%5E1>

I agree to the Terms and Conditions.

**SUBMIT**

After your enrollment is complete, you can download the app for your device from the App Store (for Apple devices) or Google Play (for Android devices).

When the App has finished downloading, open it and login using the **Username** and **Password** that you created. Review the Terms and Conditions carefully, as there is important information there about what MyChart can do for you, and what situations should still prompt a phone call to the office.

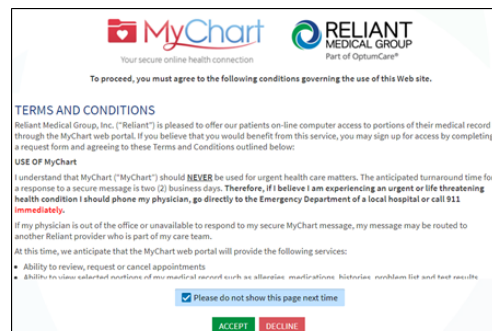

**MyChart** RELIANT MEDICAL GROUP  
Your secure online health connection Part of OptumCare®

To proceed, you must agree to the following conditions governing the use of this Web site.

**TERMS AND CONDITIONS**

Reliant Medical Group, Inc. ("Reliant") is pleased to offer our patients on-line computer access to portions of their medical record through the MyChart web portal. If you believe that you would benefit from this service, you may sign up for access by completing a request form and agreeing to these Terms and Conditions outlined below.

**USE OF MyChart**

I understand that MyChart ("MyChart") should **NEVER** be used for urgent health care matters. The anticipated turnaround time for a response to a secure message is two (2) business days. Therefore, if I believe I am experiencing an urgent or life threatening health condition I should phone my physician, go directly to the Emergency Department of a local hospital or call 911 **immediately**.

If my physician is out of the office or unavailable to respond to my secure MyChart message, my message may be routed to another Reliant provider who is part of my care team.

At this time, we anticipate that the MyChart web portal will provide the following services:

- Ability to review, request or cancel appointments
- Ability to view selected portions of my medical record such as allergies, medications, histories, mammogram list and test results
